RCM1 – Vickie – Trent and I will be attending the next ARSC meeting on November 18, 2018 at St. Luke’s Hospital in Phoenix. In accordance with our current Area guidelines, I am requesting a Regional donation at this time. I hope that some of you had the opportunity to attend WSLD 32 in Phoenix and that you are even more inspired to be of service to this fellowship.

Our Regional H&I committee is seeking guideline changes to the Behind The Walls program. The program does not currently offer sponsorship to inmates with less than a year left of their sentence.

YASCNA Agenda

Inmates with less time to go on their sentences currently receive only a letter telling them the criteria, and some IPs to read.

The AZ Department of Corrections has put in place a "Less Recidivism Act". What they call mentorship, we refer to as sponsorship. The AZDOC is looking for representation where NA can offer it, either by way of H&I on higher level security yard/units or members willing to attend inmate hosted meetings on lower level security units. There will be a AZDOC staff member at the November 18, 2018 Regional H&I Meeting to discuss the policy and guidelines of their mentorship program and how it can be used in our fellowship.

At the last Regional meeting, the following ad hoc committees were formed:

ARSC and the BOD (Legal issues, Traditions, and Guidelines)

ARCNA rotation

I will give you updated information from these committees as it becomes available.

Thank you for letting me be of service.

Together in NA,

Vickie N.
