Twelve Steps of Narcotics Anonymous

1. We admitted that we were powerless over our addiction, that our lives had become unmanageable.
2. We came to believe that a Power greater than ourselves could restore us to sanity.
3. We made a decision to turn our will and our lives over to the care of God as we understood Him.
4. We made a searching and fearless moral inventory of ourselves.
5. We admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. We were entirely ready to have God remove all these defects of character.
7. We humbly asked Him to remove our shortcomings.
8. We made a list of all persons we had harmed, and became willing to make amends to them all.
9. We made direct amends to such people wherever possible, except when to do so would injure them or others.
10. We continued to take personal inventory and when we were wrong promptly admitted it.
11. We sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as a result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Twelve Traditions of Narcotics Anonymous

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

Twelve Concepts for NA Service

The Twelve concepts for NA Service described here are intended to be practically applied to our service structure at every level. The spiritual ideals of our steps and traditions provide the basis for these concepts, which are tailored to the specific needs of our fellowship's service structure. The concepts encourage our groups to more readily achieve our traditions' ideals, and our service to function effectively and responsibly. These concepts have been crafted from our experience. They are not intended to be taken as the "law" for NA service, but simply as guiding principles. We find that our services are stabilized when we conscientiously apply these concepts, much as our steps have stabilized our lives and our traditions have stabilized and unified our groups. The Twelve Concepts guide our services and help ensure that the message of Narcotics Anonymous is available to all addicts who have a desire to stop using and begin practicing our way of life.

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for a redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose, and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

SERVICE PRAYER

"God, grant us knowledge that we may write according to Your Divine Precepts. Instill in us a sense of Your Purpose. Make us servants of Your Will and grant us a bond of selflessness, that this may truly be Your Work, not ours—in order that no addict, anywhere, need die from the horrors of addiction.

I. PURPOSE of the Area Service Committee (ASC)

An "Area" is any local Narcotics Anonymous (NA) community formed by a number of NA groups. An ASC consists of representatives from each group, as well as, several subcommittees. The ASC meets monthly for the purpose of serving the needs of its member groups. Whenever a group needs help, its members can come to the ASC to find the help they need from other groups or members in the Area. The Area also performs those actions which most individual groups cannot do. These include carrying the message through subcommittee action, sponsoring various activities, and working with other Area, Regional, and World Service Committees. By bringing groups together in this way, the ASC helps to strengthen unity within the local fellowship. In the spirit of unity and fellowship, we can accomplish a lot more when we work together.
