### Open Forum-

Accepting proposed themes/artwork

11 AM on Saturday at the unity day campout will be the next meeting

Subcommittee chairs are open

Motion: activities receives 2 payments of \$275 in August and September at area for the unity day campout. Intent: to have enough funding for the campout. Made by Devin J, seconded by Carl S. PASSED with 12 votes

Groups needs to be announcing that activities for the campout is looking for things to be donated for raffle/auction-NA memorabilia/shirts

Travis G- brought up that we go over literature budget from the guidelines and the issue of Dave M printing out fliers and what not and turning in costs of ink and printer supplies and we do not have it within our guidelines and money isn't coming out of proper areas.

No one opposed because it seems it is the best way for us to print, but Bailey brought it up because the money from printing meeting lists and fliers technically used to come out of subcommittees budgets or elsewhere? Just not in guidelines how to go about this that we are writing checks to reimburse this cost. This has been tabled for further discussion possible revision within guidelines?

Dave brought up that our area has grown since the guidelines were written and that the current budget is not sufficient any longer and should be revised.

### Old Business-
