Kyle is willing to host the zooms at Royal.

Open Forum:

Christine went to area because she picked up white key tag and is waiting on vote from home groups to see if she is able to stay as chair.

Christine also spoke with Diana Bera at Juvie about white key tag and Diana says if NA is comfortable with me staying as chair then there is no problem at Juvie and Christine may continue volunteering.

Maria Mata w/probation is not responding to email about dropping off IPS and help line cards yet.

Christine spoke to trent and Hillside needs basic texts and IPS. We will purchase at area from our floating budget.
