

Good morning everyone and Happy Valentines Day! As always I'm grateful to be of service to this body. I attended region via Zoom on January 17th and the next ARSC meeting will be March 21st.

Positions available include Regional treasurer, alt treasurer, two positions available on the BOD, and multiple web masters.

There is a desperate need for trusted servants at the regional level.

The RD and RDA included in their report the possibility of holding a service committee assembly every two months. This will be in addition to all service learning events and will not replace any.

Arcna reports the fundraiser went well and are looking into summer or fall to hold the convention.

H&I had 8 new members attend their subcommittee meeting since their last meeting in January and have had 13 new sponsees BTW since November. Inmates who have completed the steps are looking into the possibility of working the traditions.

PR sent out a document containing meeting reopening "best practices", and I have emailed it to YASC secretary. There is talk about possibly printing meeting directories soon.

In closing I would like to thank those who have stepped up to be of service and continue to make the dream work. Despite this, the ARSC has made it known that the GSR assemblies and various learning workshops are typically poorly attended. Please encourage your homegroup members and GSRs to attend such events.

Stay safe and stay clean
