

# Yavapai Area Service Committee (YASC)

## Statement of Willingness/Resume Form for Area Service Positions

In order to provide our fellowship with the very best service possible we ask you to consider carefully the responsibilities that go along with the elected position for which you may be nominated. You may be asked to make a considerable investment of your time and energy, such as planning and attending sub-committee meetings, writing/presenting/submitting reports and discussing plans and objectives related to your service commitment, in order to fulfill the duties of the position. You may wish to consult your family and/or your sponsor after reviewing our guidelines for the Area position in which you are interested (See the YASC Guidelines posted on our website under documents.).

All Area positions have the desired Clean Time and other requirements listed in our guidelines. Please review the position for which you are submitting your statement of willingness/service resume so that you are aware of the time commitment involved – usually a minimum of at least one year.

All members elected to a YASC position are required to attend all 12 monthly Area Service Committee (ASC) meetings. An absence is understandable. Neglecting your commitment because of the need to be absent is not. Having an effective committee/sub-committee that meets regularly with members who attend regularly will allow you to have officers within your committee/sub-committee who can present a report for you in the event of an absence. Usual committee/sub-committee officers are but not limited to Vice-chair, Secretary or Scribe and Treasurer.

**YASC Mission Statement: The mission of the YASC is to provide the services and support that facilitates the continued growth and development of the Fellowship of Narcotics Anonymous with the groups in the Yavapai Area.**

In support of this Mission, the YASC is committed to the following:

- NA's philosophy and principles as contained in NA's Twelve Steps, Twelve Traditions and Twelve Concepts for Service and fellowship approved literature
- Financially/Fiscally sound and effective decision making strategies
- Quality Management, defined as:
  - A constant effort to strive for improvement
  - A commitment to remain a reliable, dependable and stable resource for our members; enlisting suitable facilities and equipment to meet our needs
  - Providing an environment of honesty, integrity, mutual trust and respect
