YASC Minutes

Officer Reports:

Chair- Stephanie B.: Hey everybody, my name is Stephanie and I'm an addict! I'm truly grateful to be clean today. It has been a quiet year so far as there hasn't been very much business to handle. The subcommittees are functioning well and seem to be managing their business very well. I like it! I also like how well the subcommittees work with each other to further carry our message of recovery. I can't help but notice how some of our members are struggling at this time. I certainly am experiencing my own ups and downs as well. Thank God for our fellowship and the rooms of NA which offer myself and others a safe place to release burdens and gather up love and support. I'm truly blessed to be alive and clean!

In loving service to all who are seeking relief... Stephanie

H&I Chair Elana T Google calendar is setup and working. Trent has compiled a list of potential sponsors to bring into treatment centers. The vote was unanimous to keep the guidelines as they are. Elana will investigate setting up an H and I table at Nacona. Kyle R. has resigned as secretary, Darby will temporarily fill in for this position Darby and I will take over role for facilitating Royal. All panels are going well and always, we are looking for more people to join H and I thank you

Old Business:

YASC Minutes

Open Forum: Carl would like a list of all the positions that will be available for elections. John is wondering if someone can give some experience strength and hope on the PR position and outreach should it be merged with H and I.

Elana states the PR position does need to be filled, need to have panels go in and explain NA, it is important.

Adriana asked if we can do a workshop for service work at the Unity Day camp out.

Vincent states the issues he ran into when he was doing the PR position there was not many members wanting to help and the position does not have guidelines there is so many things missing from the positions that make it hard to run.

Carl states that there needs to be a lot of support with PR.

Adriana, states it has been my experience that I don't here enough about service positions at the group level and my suggestion would to be amplify that message and to pump up the positions, maybe put some service area testimonies and pump up for elections.

Johnny is going to announce to go to the committee meetings etc. There is a stand down 16th and 17th, and he would like to know if NA will be there to have a table to reach out. Johnny states that hope fest is coming to town as well do we have booths?

Dave is asking if H&I is handing out literature at the Dom? Jamie would like to change the camp out next year so that we can represent at the hope fest.

Dave states Seaznac is at the beginning of September.

Darby what if there is an interactive live statement putting on the area website.

Stephanie states we should just announce like we are all doing.

Carl states that if anyone is sponsoring, they should have there sponsee involved in service work so strong suggestion that Sponsors inform sponsees of these positions.

Donavan suggest that there is a GSR Report that is given at every home group meeting that is the same.

Dave suggests that there are Standardized notes for GSRs.

Jamie would like to suggest we create a form to fill out for the GSRs.

Dave states he could do that. Susan states that world is needing increased donations.

John states we have double our donations in the last year to give to World.

New Business: Aaron is asking for \$300.00 for the BBQ for food.

Dave has stated that the new group start up is \$150.00 and the new meeting A boy and his dog will be moving to the church. Initial literature order is \$120.85.

New Motion: Area/Literature to cover the cost of Gratitude Too's / Literature for the month of \$157.30 Intent to help stabilize gratitude as funds were misappropriated Donovan C. Seconded by Carl S. 7GSR to pass this motion. \$82.30 will be paid by area.
