**Chair- Stephanie B.:** Hey everybody, I'm Stephanie and I'm an addict. It's been my great pleasure to be of service this year to the YASC! I've learned a lot, had a great time being connected to everyone and I get to keep all the memories that were made this year.

I can only imagine all the candidates running for positions this year must be excited. I was excited to run for chair and learn more about being of service to our fellowship. Best wishes to the 2023 service body of the YASC!

## **Year End Recap**

I want to thank everyone for allowing me to chair the Activities committee this past year, it has been my honor. I set a goal of doing 1 event a month but fell short of the goal by 1 event, October. Last month I had someone tell me they were new to the area and it meant a lot to know there was something they could do every month and meet and fellowship with others in the program. Our committee put on fun events that everyone seems to enjoy, at least I never heard anything different.

The committee contributed the following in reusable items:

Dry erase board

Small easel

NA sign

Horseshoe game

Kickball

6 chafing dishes

10 permanent table clothes

Misc serving spoons and such

We created a new Facebook page “Yavapai NA Activities” and there are 129 members

We made a total profit of \$1,157.57

Most importantly our committee put on fun events.
