Minutes: APPROVED

Old Business: Bailey G brought up that we need to set up a time to revise the H&I orientation and guidelines. Question about how we will bring up when someone is not working NA steps with NA sponsors. Have those members contact John D. or James S. so they can bring it up in a kind and loving way. We are taking the list off the website of the list and phone numbers of our members, and we will have a list for our subcommittee to go off as a reference point for filling panels.

New Business: We need to upload minutes to the website for our subcommittee. Contact information with numbers for our members will be typed up. Coordinators need to reach out to the members who are filling out panels before the time of the panel. Set a date in motion for our members to meet in the morning to revise our guidelines and orientation. Voted to set two dates so we can have the group vote on our decision on the revisions. We will also set up a specific format for our subcommittee meeting. The first one is on 9/21 at Starbucks in Prescott Valley at 9:00 AM. We need a coordinator for Granite Mountain who is willing to serve our area to fill panels and must have one year of clean time and at least six months of H&I experience. Our job as a subcommittee is making sure all facilities is bringing in a crystal-clear Narcotics Anonymous message. Voting for Mark M. to be Granite Mountain coordinator. Approved.
