Trusted Servants Reports: Panels are going well we have not had to cancel any, we are still trying to get panels into the Prescott Jail, members need to fill out applications and turn them in so they can get badged. The juvenile badge is different from the jail badge. We are asking for members to share this at meetings so we can get members on board we are looking for men with clean time as men are being housed at the Prescott Jail but not enough females.

Panel Leaders - Bailey G, Kevin L, Dave M, Mark M, Gabby I.

Old Business: We must upload minutes to the website for our subcommittee. Contact information with numbers for our members will be typed up. Coordinators need to reach out to the members who are filling out panels before the time of the panel. Set a date for our members to meet in the morning to revise our guidelines and orientation. We voted to set two dates so we can have the group vote on our decision on the revisions. We will also set up a specific format for our subcommittee meeting.

New Business: The next revision of the H&I subcommittee guidelines review is on 10/26 at 9:00 AM at Bob Edwards Park in Prescott Valley. The format for our subcommittee was created and will be used from here on out. We want to get a meeting at the VA and James S. will get information on what we need to do to get that going. Our region is trying to get a virtual H&I meeting into the prisons and they would like a member from each area to join. We need to have a better balance between men and women going into panels. The next Subcommittee meeting will be on 10/26 at 11:00 in Prescott Valley at Bob Edwards Park. We will start looking for a new location for the colder months.
