Minutes:

Trusted Servants Report: There are still some regional H&I t-shirts. There is a lot of regional H&I stuff that is going on, they are trying to get a podcast going with people who have spent time incarcerated and were introduced to NA from H&I behind the walls of the prison.

Old Business: H&I needs to start communicating with literature to help better serve our subcommittee with purchases. The subcommittee threw out the idea of stocking up our inventory to have IP and literature in stock. Setting up a new date for revising our guidelines will be held hopefully eventually. Once we have approved men to go into the new jail, we will pick a date and have the first meeting. We voted to have the next meeting at Third Shot due to the colder months approaching.

New Business: Going forward we all need to be on the same page on setting a date for our subcommittee meeting. We will have one final meeting to end the year. Elections happen in December and the new chair will take over at the beginning of the year. Aaron S brought up the idea of doing our meeting on Zoom as an alternative means if members are not able to show up in person. John D. wants to bring in a new piece of reading to our H&I meetings and the reading is "What Can I Do". Getting into the VA in the following year is important to James S. and wants to make it a priority at the beginning of the year.
