RCM1-Annette: Hello NA family,

The following is a report from our last Arizona regional assembly.

The next regional assembly will be held in person on July 21st in Scottsdale. Annette and I will both be attending, so if anyone would like to go I would enjoy the company. Online participation will be available if you are unable to make it in person. The link can be found on the Arizona region of NA website, <https://arizona-na.org>. We will be discussing the inventory questions that were taken to the home groups that were sent out on April 4th. We currently only have 2 so I encourage each home group to complete them and turn them in as soon as possible. Members are requested to come prepared with their experiences and feedback regarding the regional service body. The inventory will include discussions on the six regular meetings in the calendar year, assemblies, and subcommittee efforts. The goal is to conduct a thorough evaluation of the regional service structure, participation levels, and overall effectiveness. The inventory meeting is a critical opportunity for all ARSC members to share their experiences, voice concerns, and contribute to the improvement of the regional service body. Active participation from all areas is essential to ensure a comprehensive and meaningful inventory process. There will also be a potluck breakfast and a chili cook-off!

There will be a Western states learning day on October 17th-20th held in Tucson. The flyer and the itinerary for the event can also be found on the AZ region of NA website. The WSLD is an annual event that brings together members from various regions to share experience, strength and hope on service related topics. The event will include workshops on various aspects of NA service including public relations, hospitals and institutions, and technology. The meeting will host speaker meeting featuring members with extensive service experience. Members are encouraged to register early to ensure participation in workshops and other activities. More will be revealed about the event as it approaches...

Region is held elections for the following service positions and were discussed during the last regional meeting:

Lit: Stephanie B: \$ cash/check \$1130,00, budget for H&I \$95.60

I placed a replenishment order and there was a couple of issues I ran into. First, I had problems with keytag link on NAWS website where it would open to order the keytags. After several attempts, I resided to just order everything else. I then contacted NAWS about the problem and about a week later I was able to place the keytag order. I was shorted (10) IP's on my order for a total of \$3.00 on the keytag order. I received an average of (13) keytags = \$7.80. I did not report this to NAWS because the amount was so small.

The first order #1022719= \$439.50

The second order #1023001=\$104.60

Subcommittee Reports

Activities Chair: Open – Attached report (Hawaiian event \$692.00 donations)

June 2024 Luau Activities/H&I event

Our event in June was well attended and the food was amazing! We had approximately 167 addicts in attendance including 51 in treatment from 4 different treatment centers. We did not receive a donation from any of the treatments this time. The message was definitely spread about H&I and limbo was awesome. We bought 4 trays of meat from the new Hawaiian place called Ohana that were meant to feed 45-50 people per tray in preparation. We also received egg rolls and a few trays of rice which was not anticipated hence we had rice made by our members as a service commitment. There was a perfect amount of food for this event. We did potluck the other sides for reference next year.

7/23 Luau Expenses

Dollar Tree Table Cloths/Sternos 21.67

Amazon Decorations 84.13

Frys Sodas/Waters/Ice 123.58

Ohana Hawaiian Food 670

Total: 899.38

We brought in a total of 692 in donations for this event. We didn't use \$100.62 of the budget. So I turned in a total of \$792.62.

H&I Chair John D. – Good morning Family, Once again I am unable to join you all for this month's Area service meeting due attendance at CANAC 25 this weekend. My utmost gratitude for my Vice Chair, James S. for filling in for me. This past month, we had our H&I Luau and it was a success. Having members share about their experience with H&I sparked some interest within the community and hopefully provided a little more clarity on our purpose going into hospitals and institutions in our local area. There was a Hawaiian Limbo activity in which Darby B showed up and showed everyone just how youthful she is, winning the grand prize. We did a clean time countdown and had an NA toolkit for the 3 newest comers. Included in those toolkits were a Basic Text, It Works How and Why, Just for Today and writing supplies. They were a hit. Big thanks to Elana P for putting those all together for this event. At this time I am unaware if the event generated donations to pay back the YASC for the money that was reallocated to the Activities subcommittee to host the luau. Either way, it was well worth the time and funding we used to put on an NA event. Moving into July, as a subcommittee we decided that hosting an orientation/learning day for H&I would be beneficial. On July 27th we will be holding that learning day and suggest that every GSR report back to their homegroups not only the date and time for this orientation but also the purpose behind this day. Many of the members in our community have been touched by H&I and if they know about orientation we can only hope that some of them continue their recovery story by being of service and giving back to other suffering addicts. Looking forward to sharing with others at a higher level of information within the H&I subcommittee. I am in the process of making efforts to get into the new Prescott Jail out on Prescott Lakes Parkway. I have been in contact with an associate there and will be meeting with her to deliver some Basic Texts and discuss opportunities to bring a meeting into their facility. I will need to get all details on how to be badged, who can be badged and what all the time frames will look like. More details to come in the following month. The next Regional H&I Zoom meeting is scheduled for 7/20. I will be attending and will report back to the Area next month. If any member of this service body is wanting to share their NA message on an H&I Panel in the coming weeks, please let any of the facility coordinators or members of the subcommittee know so we can ensure you are set up for success.

Bailey G - Hillside Kevin L - Journey Program Dave M - Decision Point Gabby I - Royal Detox John D - Granite Mountain James S - Vice Chair Aleena L - Secretary Thank you all for making this subcommittee what it is. We couldn't do what we do without the willingness of our very own members. My heart is filled with gratitude. In Loving Service, John D H&I Chair - Yavapai Area
