## **RCM1-Annette:**

*The Alt RD (Ryan M.) sent out this email: Greetings RCMs. We want to discuss the possibility of submitting a motion for the 2026 WSC on behalf of the Arizona Region to create a project plan to begin discussing and exploring responsible ways to put book length pieces of literature on inmate tablets as this is something we were going to do with the last conference however, it did not happen. I have spoken with the hospitals and institutions chairperson for the region who has stated she believes it is a good idea. Now we hope to get some input from our RCMs and have some discussion to find out if there is support. I would like to submit an idea request at November's regional meeting so we can attempt to get Arizona regions blessing to move forward with the motion as this is a lengthy process so the sooner we can begin working on it better. Please let me know if you have any thoughts or input you can contact me personally or reply to this email thread. Love you guys!!*

I responded that I thought this would be a fantastic idea and fully support it. I wanted to get the Area feedback as well, so if anyone has any thoughts they want shared back to the Region about this motion, please let me know.

CAT/CAR presentation is Dec 14th. If there are GSRs or members who would like to get together to attend on Zoom together, I have the Mingus Mountain Presbyterian Church reserved that afternoon. I had originally reserved it for the Learning Day, but just realized the conflict today. Trent has offered to help coordinate the Learning Day so that we can make this happen asap. We are looking at a date of Dec. 7th. I can move the reservation of the church to Dec. 7th for the learning day. It is donation based, so area could make a small donation or 7th tradition could be collected at the event.

So the question is two fold.

1. Do GSRs want to a place here to Zoom for the Cat/Car presentation on Dec. 14th?
2. Trent will find out if the Dec. 7th date works for the team that attended WSLD and we can reserve the church for the afternoon of Dec. 7th.

The CAT/CAR presentation fliers are on the website. GSRs, this is IMPORTANT for you to attend either in person or on the zoom. You will be the main source of information back to your groups when voting happens (I think in the Spring). Please mark your calendars.

# YASC MINUTES

Both the RCM 1 and RCM 2 positions will be open next year. It is super important to fill the RCM position or our Area will not have a vote at region and all of our groups will not be represented in the decision making process. Since Jesse has decided not to continue his commitment next year, please make sure you are announcing at your groups that this position is open. There are 5 zoom meetings and 1 in-person meeting per year, the 2 yearly regional assemblies that are the minimum requirements. We have lots of members with clean time that do not attend Area that could fill this position, but if it's not getting announced at meetings they will not know. Region is next Sunday on Zoom. Anyone who is interested can attend the RCM forum at 11:00 and the RSC Meeting at 12:15. It has been a delightful journey being apart of this Area Service body as the RCM. Thank you for trusting me in this position for the last 2 years. It would be great to get anyone who HAS NOT had this position but is interested to get involved as soon as possible.

NACONA IV will be held in Prescott next year Nov 27 - 30th. They are looking for statements of willingness for Chair positions. If ANYONE has interest in doing entertainment and fundraising, arts & graphics, or a few other things, please get in touch with Moira B. for more info. Having just done the convention committee for NACONA III, it is a lot of work, but was so amazing to give the gift of an amazing convention to so many people. Incredibly rewarding service experience.

The replenishment order was placed and received without any issues. Order #1030677, \$1,158,80. I will complete a physical inventory prior to December's elections for next year.

## **Subcommittee Reports**

**Activities Chair: Open – Dave:** No more activities this year. Hopefully someone is willing to step up next year to fill this open position.

## **H&I Chair John D. – Absent**

I apologize that I am unable to attend this meeting with you all in person this morning, however, our trusted servant and Vice Chair of H&I, James S, is present. With election season upon us for 2025 I am leaning into faith that James S will submit a statement of willingness for the H&I Chair service position. Region H&I Subcommittee released its 2nd run of H&I t-shirts at NACONA III. With the success of selling out on the 1st run, as a committee we were able to repay the seed money to the Arizona Region and bank over \$400 to purchase literature for the complexes, camps and prisons across our beautiful state. Currently we do have stock of just about every size except for a limited quantity on XXXL and Small. We are still selling for \$30. If you or anyone you know would like to purchase a shirt before this run sells out, contact me via text at 719.238.0434. Depending on timeframe to sell through we may not do another production of these specific shirts. Get them while supplies last.

# YASC MINUTES

Our subcommittee is still in the process of revising our H&I guidelines having held an initial ad hoc meeting in September. We were unable, due to scheduling, to hold our 2nd meeting in October. Stay tuned for a final draft prior to the end of calendar year. Many revisions need to occur for our subcommittee to run more seamlessly.

As for my personal recovery and continued willingness to serve our fellowship, I have submitted my statement of willingness to the area secretary for submission to the groups for discussion. I will continue to give back to the only program that has ever allowed this addict to remain clean and find a new way of life.

We are looking for committee members for the Unity Day Campout next year and hopefully reserve a place by the end of the year.
